NAME OF THE COMPANY FOR PROMOTION

Mime en Mi Mineur

DESCRIPTION FOR PROMOTION (IF NECESSARY)

The Circus company "Mime en Mi Mineur", a poetic duo with live Music. Through mime, circus, theater and magic, they transport the public in a world of dreams and reflexions on oneself. They will bring you back to those times when the power of silence was important. Mime, this lost discipline, is what "Mime en Mi Mineur" want people to (re)discover. The music leads Hugo's mime between reality and dreams, where each and everyone in the audience is invited to travel through her/his imagination!

PERFORMANCE OFFERS

Here are some ideas that could fit for your event:

WELCOMING ACT

Juggling with live music where the public arrives:

We welcome people with some music and mime/juggling, lightly interacting with them so they arrive in the event with a touch of magic and a smile on their faces

POP UP PERFORMANCES / STREET SHOWS

Several 15 to 20 min mime shows with music on different spots through the location during the event:

The public passing by can randomly enjoy short mime performances, which makes their stay full of surprises at each corner

STILTS WALKING

Walking with stilts and interacting with the public around the event site:

Suprising people walking by, blowing soap bubbles from the sky, or snoring confetis, Hugo's 3m mime amazes children and adults. (most of the time, the parents call their kids to look up and notice this "very huge mime")

WALKING ACT

Improvising and interacting with people around the event:

Either as a mime, or with masks, Hugo Fonfon walks and improvises mime enhanced with a bit of magic among the audience, either at a table, are walking through the people...

ACCORDION AMBIANT

Accordion music at the most beautiful spots of the event site:

→ A flair of Montmartre, Francesco plays musettes, vales, tangos, Amelie Poulin's soundtrack and other very beautiful melodies. People usually stop to listen a few tunes, some of them dance, and then continue their day with nice melodies in their thoughts.

ACCORDION CONCERT

→ Same music as the "Street music" option, but on a stage

MIME ON DEMAND

Up to 5 min mime pieces on a Theme given in advance by the organiser of the event:

→ We can create special mime stories on key words that you give us, the public feels in that way the unity of your event

STAGE ACT

5 to 60 min mime shows on stage:

→ Either as show in the program or between Talks, Concerts, Conferences... we have enough Mime pieces to make an event with a lot of talking a bit lighter to follow with visual shows
